Hi, Sue. The Biancos' consultant has completed a delineation (please see figure 2 attached). On the figure, the consultant also has included the area Travis delineated. I'd like to talk after you've had a chance to review. I'm at 303-312-6359. Thanks!

11 will not work for me. I could do 10.

I am out this afternoon.

Jason: This is to follow up on my voice mail this morning. I was wondering if you would have time today to give Monica and me a brief update on the site visit to the Biancos' property this week and discuss the consent order. Today I have multiple meetings but could do 11:00 to 11:30 this morning.

Thank you.
